

Annual Report

January 2010 – Shevat 5770

Dear Friends,

We are pleased to send you this, our Annual Report for the 2009-2010 school year. This was another year of success for the Alisa Flatow Memorial Fund as we awarded 9 Scholarships for a year's study in Israel. Please see the list of [awardees](#).

The Alisa Flatow Memorial Scholarship Fund continues to be the leader of scholarship opportunities for post-high school study in Israel. Open to men and women, without regard to whether the applicant is Orthodox, Conservative, Reform, Reconstructionist or unsure, we continue to receive more than 250 applications a year for students attending a variety of institutions in Israel. Interest is keen because our young adults understand the promise that a year of study in Israel holds for them and for the Jewish people.

More than \$300,000 has been awarded since the Fund was established in 1995 via your tax deductible contributions to the Fund. Your continuing support helps these young adults embark on a life changing year of study and accomplishment.

We wish you a health and good things in this new calendar year. With gratitude,

Rosalyn & Stephen Flatow and family
